Calling All Mary T. Washington Wylie Scholars!

Join Us for the First-ever Alumni Reunion

Hi Mari:

You're blazing a trail, but you don't have to walk it alone.

As an Illinois CPA Society Mary T. Washington Wylie (MTWW) Program Scholar, you are part of something special and bigger than yourself. You're a member of a unique community of diverse future leaders with shared experiences who are here to support you every step of the way.

Tap into the power of the MTWW network!

This reunion will allow you to catch up with people from your MTWW class and meet new friends from all seven classes. Whether you're still in school or already a CPA, your personal and professional relationships will help you get jobs, overcome barriers, and advance as professionals.

So, rally up your MTWW crew and get your game on! We're excited to have **Just Play Entertainment**, the newest game playing experience, coming to facilitate a casual and fun-filled networking experience just for you.
